

Warehouse Identification

Beam & Shelf Code Labelling

Code labels produced to your specific requirements. Available in self-adhesive for permanent solutions or magnetic for cold stores, or where locations need to be moved. Bar codes, arrows and colours can be incorporated, printed with the message you want and how you want it.

Label Holders

Magnetic or self-adhesive label holders supplied from stock in pre-cut lengths. Special sizes can be supplied on request. Each holder is supplied with a white card insert and a clear plastic cover strip.

Ticket Holders

Identifying and updating locations has never been easier than with these clear plastic holders. The flexible pull forward front allows easy loading and updates of information. Allows bar codes to be scanned without the need to remove the insert. Available with magnetic or self-adhesive fixing.

Easy Wipe Magnetic Strips

The magnetic easy wipe strip provides a fast and cost effective updating system for identifying product codes and stock level information, etc. Easily cut to length, use a wet wipe pen on the write on - wipe off surface.

Location Markers

White or yellow faced magnetic location markers, quick and easy to update. Simply use a wet-wipe marker pen, update and move when required.

Document Pockets

A range of industrial quality pockets for use with A3, A4, A5, A6 and A7, sized inserts in vertical and horizontal formats (other sizes and specials are available). Choice of magnetic, self adhesive, tie on and clip on fixing options.

Warehouse Identification

Floor Marking & Identification

High visibility alpha numeric, graphic or directional self-adhesive floor markers. Designed to withstand the traffic in a modern warehouse.

Number & Letter Identification

Our self-adhesive characters are printed black on yellow (other colours are available) ensuring high visibility identification. They are simple to apply and can be quickly removed leaving no residue. Available in eight different sizes, in single identical character sheets or in full A-Z & 0-9 packs.

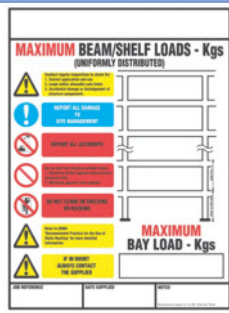

Magnetic Self Adhesive Strips

Our magnetic strip is available in two widths backed with a strong permanent adhesive. Makes anything magnetic.

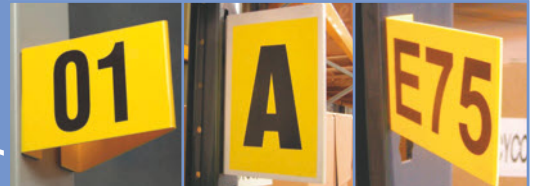

Weight Load Signs

A range of tough durable PVC signs manufactured in line with the latest Health & Safety recommendations. Choice of five different designs from pallet racking to mezzanine flooring. Signs can be overprinted with your corporate logo, address and contact details.

Aisle & Bay Markers

Clear bay and aisle marking is essential in a modern warehouse. Our off the shelf markers provide instant identification. Bespoke markers can be quickly produced to meet your specific requirements.

Cage & Wooden Case Pockets

Hard wearing information pockets designed for industrial roll cages, mesh containers and wooden cases allowing instant identification of the stored products.

Ticket Pouches

A range of cost effective ticket pouches with self-adhesive or magnetic fixing options. Designed for use on racking and shelving. The clear front and yellow back not only makes the pouches highly visible but also allows bar codes to be scanned without removing the insert.
