

# Meeting Booths

## About

Meeting pods are specifically designed to address modern working practices by offering that essential private area in any busy work place to accommodate working groups with exceptional comfort and practicality. High backs offer a private place for employees to sit and relax, or for teams to meet in seclusion. With optional tables and power supply, meeting pods are perfect for open space environments in offices.

# Tilly Pod

Tilly breaks away from traditional modelling, using a variety of materials to create a modern high-end and semi-private range of meeting booths, making office space more flexible and open. The dynamic shape of the meeting pods deliver the 'wow factor' into any office, whether as a means of conducting private meetings, collaborative working or finding solitude away from a busy open plan working space.

# Alban Pod

The Alban Pod is built with all the acoustic and functional qualities of its sibling the Alban Top. Reflecting the change towards a comfortable, informal work space where private working pods are the norm, the Alban Pod can be used for team meetings, collaborative tasks or as a base for the day, and is ideal for creating a private space in modern open plan office environments.

# Encore<sup>2</sup> Open Pod

Encore<sup>2</sup> open is available as a 2, 4 or 6 person meeting pod and has been designed to bring people together in a place where ideas, insight and inspiration can be shared. Like its big brother the Encore<sup>2</sup> Pod, Encore<sup>2</sup> open has a fully upholstered cushion and back that delivers comfort and lumbar support with a modern design, but Encore<sup>2</sup> Open is available with open sides for a more informal feel.

# Priva Pod

The Priva meeting booth provides an easy solution for creating a workbay where people can find a quiet place to work or groups can hold meetings with a degree of privacy. The 2 and 4 seater meeting spaces are available in a choice of rectangular or hexagonal high-rise sides, with a bent roof option that adds some excitement to the interior as well as providing a large, sound-absorbing surface.
