ORGANISATION

REVERSO ORGANISATION

NATUREL

Aesthetics, modularity and flexibility are the key words of the Reverso range. Whether cubic, mobile or slim, the Reverso storage pedestals help you organise your daily work. Colourful and modern, the storage modules and structures also represent an original solution to decorate your office interior.

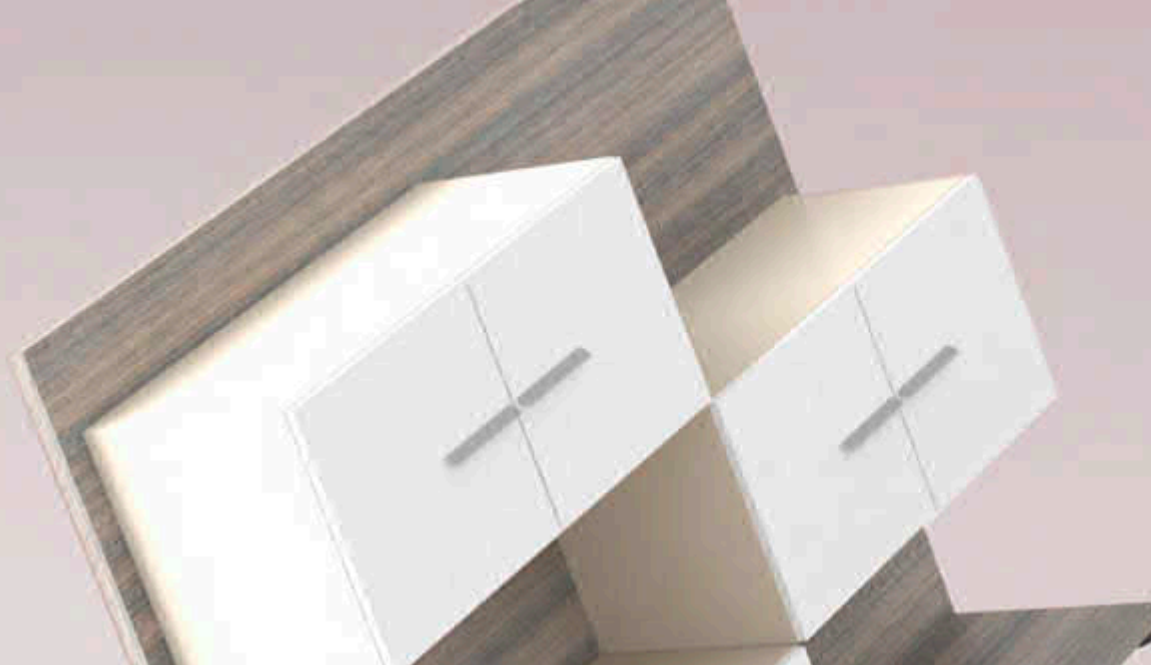

Details

1. Streamlined wing-shaped chrome-plated handle.
2. Storage units set back from the structure.

Materials and warranty

Our industrial know-how guarantees the quality and durability of the materials used to make our furniture.

STRUCTUREX® PANELS

Full panels of particles with melamine surfacing. Counter-balanced and treated against reflection. Thickness 16 to 25 mm. Density 680 kg/m³ for the 25 mm panels. Tested as conforming to abrasion and hot & cold water resistance to the XP D60-050 standard.

NITECH® PANELS

Honeycombed panels between 2 melamine coated 8 mm infills, total thickness 38 mm. Decorative coating imitating a choice of wood species. Anti-shock reinforcement edging in ABS, thickness 2 mm.

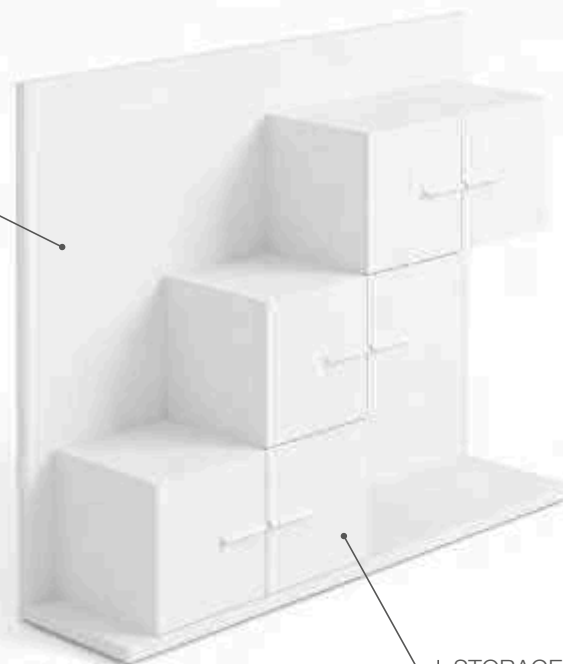

5 YEAR GUARANTEE

The quality and durability of the materials enable us to guarantee all our ranges for 5 years under normal conditions of use.

+ More details

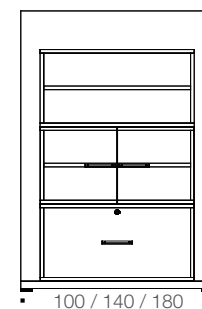

STORAGE

Storage structure comprising of 38mm thick Nitech® vertical board fixed to a 38mm thick base.

STORAGE MODULES

The structure must be completed using Structurex® storage module, thick 16mm.

Technical description

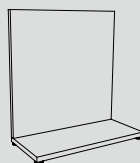

- Storage structure comprising of 38mm thick Nitech® vertical board fixed to a 38mm thick base.
- Fitted with adjustable feet to compensate for uneven flooring.
- The structure must be completed using Structurex® storage module, thick 16mm.
- Maximum weight load 50kg per structure.
- The storage modules with Lateral filings can be only use at the bottom section of the structure.
- A Plexi raiser can be positioned above the storage structure with 2 chrome-plated brackets fitted into the upper edge.
