

PRODUCT DATA SHEET

Alban Top 2 seater sofa with canopy

ALBAN02-C

The Alban Top recognises the need for a more relaxed personal space for employees within the modern workplace and its striking design makes it a visual highlight in every office it graces. The stand-alone acoustic booths with canopy and lighting options offer a high level of visual and acoustic privacy where employees can think and work undisturbed, free from surrounding noise.

PRODUCT FEATURES

- Single units for intimate areas, with 2 or 3 seater options
- Bespoke footrest and laptop table available to complement the pods
- Easy to fit canopy section for advanced acoustic properties
- Comprehensive choice of fabrics with two-tone options
- Polished chrome legs with floor protectors
- Available with integrated power supply built in to the frame
