

About Technical Seating

Rhubarb Solutions has a comprehensive range of technical industrial seating that is best in class, meeting the rigours of these demanding environments while providing comfort and ergonomic support for the individual.

The range includes a full choice of formats satisfying the requirements of Laboratory, Sterile Environments, Industrial/ Technical, ESD Static Safe and Medical Grade. The ESD Sterile, Clean Room and Medical Grade 'TechnoChairs' feature a HEPA filter to clean expelled air from the seat.

A comprehensive range of polyurethane (PU) seating completes this specialist seating range.

Environments

- Healthcare & Medical zones
- Clean room
- Static safe environments
- Laboratories
- Industrial & warehouse

Technical Data

Range dependent, however we have solutions that deliver

- Soft touch polyurethane seat and back
