

Dip Fronted Trucks

Easy access dip fronted plastic trucks and trolleys manufactured in the UK and available from Merlin Industrial Products Ltd

Dip Fronted trucks are the economical alternative to the Self Levelling Truck. Often larger and deeper than standard truck sizes, the dip is incorporated into one of the long sides which permits easy access to the contents. Available in various sizes and colours along with a range of Castor settings

Manufactured to order in the United Kingdom in a wide range of colours to match your company colours or for different areas.

Please note that lead times are normally 6 weeks from order.

For that extra heavy load we can incorporate the dip front into a Chassis Truck.

Please feel free to call to discuss your project / requirements.
