ENSA DESKING.

The **Ensa Executive Desking** features the beautifully finished aluminium leg frame from the **Ensa** table collection. The leg can be adapted to suit a wide range of desk top designs and shapes.

Tops can be finished in toughened glass, either clear, etched, or back-painted black or white. Veneers, laminates and melamines are also available.

MODERN | TIMELESS | CLASSIC

The **Ensa Executive Desking** can be specified with an array of setups and shapes. Meetings are made easier with either a D-End top or Integrated P-End table.

From a simple desk with mobile pedestal, to a complete workstation including support storage return with cupboards, drawers and optional CPU housing.

Ensa Storage units in a range of sizes are individually configured and fitted with solid polished handles and levelling feet.
