Sizes 1200, 1500, 1800 and 2200 mm

Maximise your seating capacity with our contemporary table and upholstered bench set. It's easy to clean and maintain.

Forest Bench Seating

Available a single colour laminate as standard (two tone also available)

Wide choice of laminate colours are available

Two edge options available:

Option C: 30 mm thick MDF with polished flat edges

Option D: 38 mm thick with 2 mm PVC edges

Bench seat Depth 350 mm

Seat Height 450 mm

Table Height 730 mm

Bench seats can be positioned under the table or turned upside down and placed on top to allow easy access underneath the bench units for cleaning.

The Urban units can now have coloured frames offering further individuality.

Sizes 1200, 1500, 1800 and 2200 mm

Our Urban range is the perfect alternative to loose seating, allowing for maximum seating capacity. Ideal for dining, meeting or breakout areas.

The table top and benches are 25 mm thick with a White laminate and a 2 mm Beech PVC edge as standard

Benches store under dining table when not in use

Fully welded 40 x 40 mm frame, finished in Silver or White as standard

Also available with upholstered benches if required
