STYLISH SOLUTIONS FOR ESSENTIAL NEEDS

UnicornHygienics

THE ELEGANT SOLUTION FOR ANY WASHROOM

THE STYLISH LARGE VOLUME CAPACITY DISPOSAL

The Sanibin Feminine Sanitary Bin has a modern and discreet design which allows it to be fitted into any washroom. Its lateral opening increases the usable capacity, dramatically reducing the likelihood of waste blockage internally.

Sanibin has a gloss finish which is resistant to regular cleaning and wear and tear or loss of brightness; it also has a smooth surface which facilitates effortless cleaning.

Features:

- Available in white and grey
- Pedal on hand operated options available
- Safety lid mechanism that prevents the lid to come off in the event of falling over
- Can be customised with screen-printing on the lid and comes complete with a user guide
- Carrying handle which allows 4 bins to be carried at one time
- Narrow design that enables the bin to fit into any washroom
- Modern elliptical design
- Liner hidden internally by fixing clips

SANILINERS

SCENTED ANTI BACTERIAL LINERS

Saniliners are a sanitary bin liner with anti-microbial agent and pine tree fragrance.

Saniliners use silver based antimicrobial additives to provide durable protection against harmful bacteria. Saniliners quickly reduce bacterial growth by up to 99.99%. In addition, it removes over 80% of the bacteria is as little as 25 minutes and will last for decades in even the thinnest of coatings.

Features:

- Fits bin sizes up to 305mm (12”) square, or 1220mm (48”) circumference aperture
- Reduces growth of bacteria
- Fits most 30-35L sanitary bins
- White opaque film helps obscure contents for discreet removal
- Environmentally friendly
- Scentmaster Pine fragrance works to help mask odours associate with sanitary waste
- Centered open perforation for easy tear-off
