THE ULTIMATE OUTDOOR SOLUTION FOR ON-SITE SPILL PROTECTION

Lubetech continues to write its compelling environmental story with the launch of the Site Mat range.

The Site Mat has been developed to provide a quality on-site solution to meet the increasing demand for the protection of the environment.

The Site Mat allows the free-flow of filtered water through the products side walls, eliminating the requirement of regular decanting of secondary containment trays when deployed outdoors.

Available in three
different sizes
