

Ring Binders for Walls

Magnetic  Self-adhesive 

- ▶ 2 or 4 hole ring binders
- ▶ Magnetic or self-adhesive fixings
- ▶ Creates quick & flexible information centres

Our ring binders are ideal for keeping those important documents not just clean and tidy but also all in one place, helping to create a central information point.

Available with either a magnetic or self-adhesive fixing. Magnetic versions are suitable for use on most magnetic whiteboards, shelving and other flat surfaces. Self-adhesive offers a more permanent fixing option on sealed surfaces and where heavier folders are involved. (Folders not supplied).

Available
with 4 or
2 ring
options
