

Workmaster T Aluminium Work Platform

Z 600 ZAP assembly platform, folding

Mobile and comfortable: folding work platform with easy access and pedal brake

- Swing-up steps with treads 200 mm deep for comfortable and safe ascent
- Can be moved very quickly and comfortably, as it has four swivel castors on the access section and two fixed castors on the support section
- Ready-for-use in no time thanks to pedal brake on the access step
- Can pass through doors - even when erected
- Flexible applications due to three different platform heights with just one work platform
- Double-sided handrail on the access steps and platform railing for maximum work safety
- Folding frame and steps mean space-saving transport and storage
- Large-area work platform, 1,800 mm × 600 mm
- Tested to BGR 173 - total platform load 200 kg/m²

Tip

Pedal brake **is locked by stepping on the pedal** instead of having to lock all four swivel castors individually

One product - three different platform heights: 420 mm

Platform height 720 mm

Platform height 990 mm

Folds to compact size for transport

Central brake locked by pedal operation

Central brake released by lifting the product

Comfortable access via 200 mm deep treads

Steps swing up into transport position
