PRODUCT DESCRIPTION

This new attractive desk height storage cabinet has been designed to be strong and long lasting but lightweight in construction. The cabinet comes in a number of configurations to suit all requirements. The BR700 has two sizes in the range to accommodate normal office requirements in A2/A3 and A1 for more specific storage, making this one of Metalico's most versatile range to date.

FEATURES

- Value engineered construction
- 5 drawer heights from 90 mm - 290 mm
- Full extension drawers
- 700 mm high unit
- Under desk storage

BENEFITS

- Easy to use
- Can be wheeled about castors
- Light weight
