

# Solutions for Industry

UK businesses produce approximately 80 million tonnes of waste each year, over half of which is sent to landfill.

Now Leafield have introduced the Envirotruck range of recycling containers specifically suited to the demands of industrial workplace.

# Envirotruck

Envirotruck is a range of four, sturdy, wheeled or static, recycling units specifically for the 'shop floor' environment.

- Strong, sturdy, design. Wipe clean surface.
- Choice of 'wheeled', 'pallet feet' or 'flat base' versions.
- WRAP compliant recycling graphics reducing, waste stream, cross contamination.
- 'Easy grab' edge lip helps lifting and handling.
- 100, 145, 305, & 332 litre capacities available.
- Choice of colours available.
