A range of robustly constructed workstations designed for Team Leaders, Supervisors or Line Managers. Fully welded steel frame work ideal for tough environments with a range of accessories both above and below the workstation. The compact design recognises the pressure on factory workspace but still allows the team leader to have a workstation with everything they need. Colour co-ordinated range of tops for area segregation are available.

- n Two depths available 460mm and 600mm.
- n Full range of accessories
- n Sloping and Flat top versions available
- n Fully welded robust frame
- n Polyester powder coated with 4 colour combinations for area segregation
- n Ideal for standing at to improve health and fitness, but can be used in conjunction with an industrial stool or chair
